e-Daman

Web-based application service for violence reporting

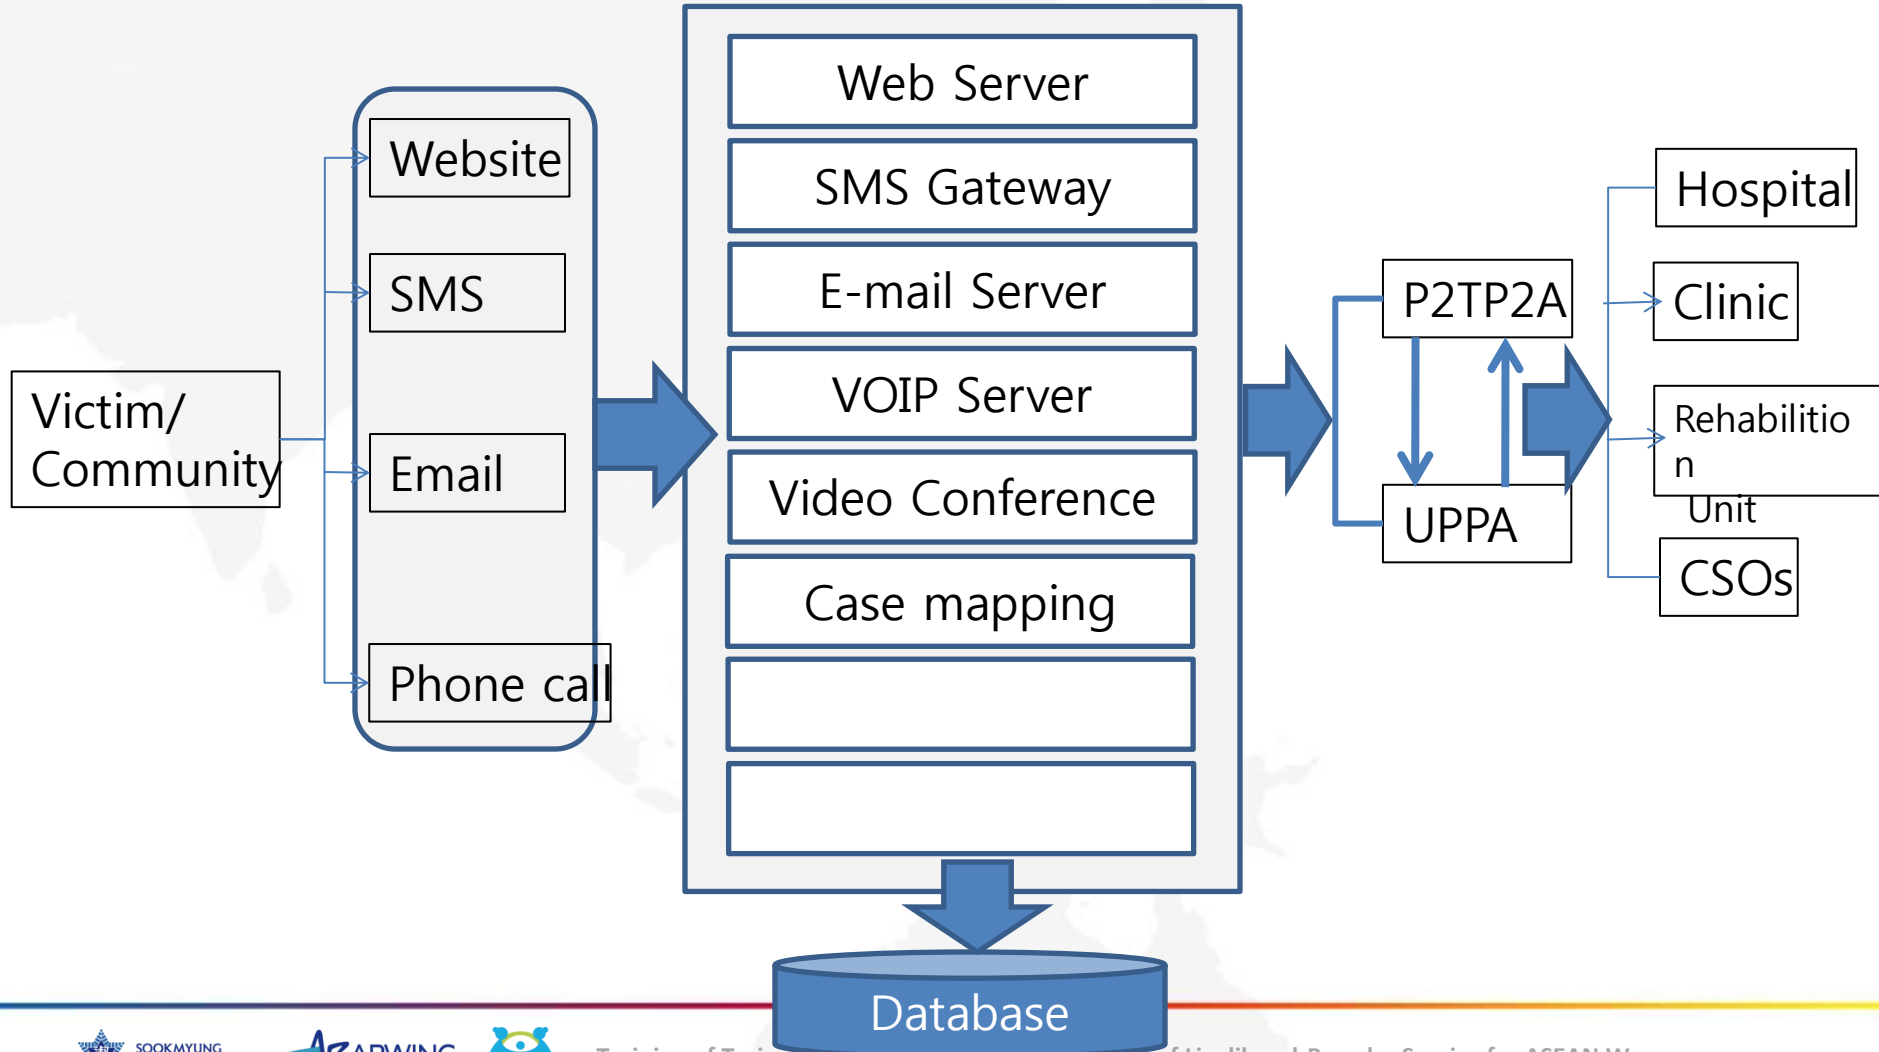

- MoWE has a system of recording and reporting violence but is still conventional
- Reports received in direct service in P2TP2 A and Women and Children Unit at Police Office --- 12.703 Victims –33 province
- **e-daman** as alternative media reporting

- Easy-reporting system and mechanism for victims or the community
- Online consultation for the victims of violence
- Provide information related to violence

E-Daman

The Next...

THANK YOU
